RE: Dean Black Campaign for Congress
Florida- 3rd Congressional District
1st Quarter Report 2010 (Amended)

Dear Sirs:

Enclosed is my amended first quarterly report (FEC-3) which we have filed in a paper format because of FEC regulations and your computer software.

The campaign is issuing this report to correct the incompatibility between the software used on the first Q-1 Report (FEC-3) and the new software we used on our latest Q-2 Report (FEC-3). The amended report will act as a replacement for pages 9 and 10 that were lost during your scanning process.

Should you need any additional information please contact my Campaign Coordinator, Bob Smith, at 904-803-2170.

Defending the Dream,

Dean A. Black
